

Structured and proactive Finance Assistant

Are you motivated by improving financial workflows, ensuring timely reporting, and at the same time being of valuable service to your organization at all levels? Then you may be the new colleague we are looking for to join our team of Everfuellers!

At Everfuel, we work to make the world a better place by showing the way to a fossil-free future. We work actively for the green energy transition by making green hydrogen commercially attractive both as a sustainable fuel in the transport sector and as a green solution for industry. We are growing rapidly, and we are looking for our next Everfueller, who has the motivation and ambition to make the world a better place!

You are attentive to detail and passionate about the green transition

As Everfuel's Finance Assistant, you will be a part of the Finance team of 4 and report directly to the CFO. The position will be perfect for you, if you are service minded and enjoy working in a dynamic and flexible organization.

Your daily tasks will include, but not be limited to:

- Posting daily transactions in Business Central
- Accounts Payable and Receivable include issuing invoices
- Ensuring efficient month-end closing
- Reporting and reconciling VAT
- Assisting in the audit process
- Payroll
- Miscellaneous admin tasks

"The tasks require that you are detail oriented and structured while also being service oriented and enjoying helping your colleagues." says CFO Jesper Ejlersen.

We are a growing company, and therefore various administrative tasks will also be part of the job. Furthermore, you'll assist in the auditing and preparation of our financial statements.

Who are you?

We imagine you to be detail-oriented, punctual and accurate, and that you enjoy working in a structured way. You are proactive and don't mind taking the initiative to help develop the way we work. Even though you enjoy structured approaches, you're ready to take on new challenges and have a positive mindset.

We expect you to have a relevant education and experience with accounting. Furthermore, you need to have extensive experience with IT, including MS Office, Business Central, Continia and Payroll, preferably Danløn.

The position will be perfect for you, if you enjoy working in a dynamic and flat organization. Everyone is equally vital at Everfuel – because together, we can achieve so much more.

About Everfuel

Everfuel supplies green hydrogen to larger car fleets such as buses, trucks and as a green solution for the industry. Green hydrogen is a 100% clean fuel produced from renewable energy sources and will play a key role in overcoming Europe's climate challenges. We are based at the Everfuel Farm in Høgild near Herning and in Fredericia, where we have build one of Europe's largest electrolysis plants to date and new attractive offices.

As an employee at Everfuel, you get the opportunity to work in a dynamic company and we offer you:

- A good work environment
- Flexible working hours
- Exciting work assignments
- Opportunity to influence decisions

Application and contact

Please send your motivated CV as soon as possible and no later than June 15th. We expect to conduct 1st round of interviews online June 23rd, and 2nd round of interviews June 26th. This will be a physical meeting. If you have any questions about the position, please feel free to contact CFO Jesper Ejlersen: 20859374.
