

Helpful Finance Assistant with flair for details and operations

Are you motivated by accounting and ensuring quality in the foundation of financial management? Then you may be the new colleague we are looking for to join our team of Everfuellers!

At Everfuel, we work to make the world a better place by showing the way to a fossil-free future. We work actively for the green energy transition by making green hydrogen commercially attractive both as a sustainable fuel in the transport sector and as a green solution for industry. We are growing, and we are looking for our next Everfueller, who has the motivation and ambition to make the world a better place!

You are service minded and passionate about the green transition

As Everfuel's new Finance Assistant, you will be a part of the Finance team of 5, and report directly to the CFO. We are transforming the team, and your contributions to this process will be valued. Together we will ensure that every day at work will be filled with energy and good laughs.

The position will be perfect for you, if you enjoy working in a dynamic and flat organization.

Everybody is equally vital at Everfuel – because together, we can achieve so much more and with even better results.

Your tasks will include:

Maintaining accurate records of accounts receivable and accounts payable, you will be engaged in the end to end "Procure-2-Pay" and "Order-2-Cash" workflows across our legal entities.

Payroll

Documenting and improving financial workflows and processes together with your colleagues

Miscellaneous administrative tasks

"In order to succeed in this job it is important, that you are structured, proactive and deliver in high quality. You must enjoy the daily routines, be willing and able to take responsibility and you are able to continuously optimize and digitalise your tasks and our processes in Finance" says CFO Jesper Ejlersen.

Who are you?

We imagine you to be detail-oriented and accurate. You are proactive and take pride in contributing to a good working environment. Even though you enjoy structured approaches, you are flexible and open to new challenges.

We expect you to have a relevant education. You must have experience with accounting, but if you are newly graduated, we can teach you! You are fluent in English, written and verbal. Furthermore, experience with IT, including MS Office, Navision/Business Central and Danløn is a plus.
